Purepet Polymers LLP

<https://www.indiamart.com/purepet-polymers/>

Established in year 2017, “Purepet Polymers Llp” is one of the leading manufacturers of **PET Preform, PET Bottle** etc. We offer these to our customers at market leading rates.

About Us

Purepet Polymers was established by a third generation entrepreneur, Mr Ayush Poddar with a vision to manufacture high quality PET packaging products in a state-of-the-art facility, following the guidelines of Good Manufacturing Practice (GMP). The idea of Purepet Polymers was conceptualised when our thirty year old Parent company, The Mining Industrial Corporation(MIC), set up by Mr. Anup Poddar, began its PET Bottle Blowing facility in the year 2015. Purepet Polymers' main motto is to provide high quality products, and an end-to-end solution entirely based on the Customer's requirement with minimal lead time. We, at Purepet, adhere to a regular practice of modification and constant upgradation of our existing operations and techniques based on extensive data collection and its evaluation in all areas of our operations, with foremost emphasis on the active involvement of our customers, suppliers and employees.

QUALITY POLICY

At Purepet, we pledge to maintain a total quality system for manufacturing our products. Each and every product undergoes stringent testing and validation before it is introduced and included in our product range. We ensure our products match the company's policy of providing our customers, purity of product and packaging superiority. Our Products are approved by Central Institute of Petrochemicals Engineering & Technology (CIPET).

OUR MISSION

Our Mission is to develop high quality, durable and cost...
