## About Us

Purti Vanaspati Pvt. Ltd. is a professionally managed organization, together with a competent and dedicated staff. The company is led by Mr. Kishore Kumar Agarwal (CMD) who has enriched the group with his vision of sound business governance and value driven management practices. He is the driving force behind the company's vision, products, market direction, and company's spirit & commitment to superior quality. This has kept the company well ahead of its contemporaries in the similar field with a experience of four decades. The Company, we pursue a single goal – a total focus on quality of product. The company's commitment to quality is supported by the state-of-art infrastructure, its relationship with the buyers and modern production facilities.

“Employees are central to the growth strategy of any company” – this is what the company strongly believes in. There is a true harmony between the Employer-Employee relationship, which has made all the fellow members of the company very loyal and dedicated in line with achieving its goals of operating on par with global standards. To place the company at the apex of the food industry, the strategies of the company are reviewed and observed on a regular basis and policies are designed accordingly. The professional acumen and expertise of highly experienced technocrats enable the proper implementation and execution of these policies.

One very important aspect of the company is...
